## *Correspondence*

### February 2020

---

*Our purpose in publishing a sampling of the correspondence we have received, in the words of Arthur W. Pink:*

“...the time has again arrived for us to indicate to our loyal supporters before the Throne of Grace something of the manner and extent to which the Hearer of prayer has been pleased to grant their requests.”

“Our object in compiling this...feature is to evoke praise and thanksgiving on the part of those who are most deeply interested in this work, by quoting excerpts from some of the letters at hand telling of help and blessing received, under God...”

“Our purpose...is to evoke praise unto the Lord, that in this cloudy and dark day He is still ministering to His own, giving seed to the Sower, and then blessing the same unto the eater. We know not why the mighty God should condescend to use one so feeble and unworthy; sufficient for us that He is pleased to do so. Our longing is to be used more widely, in sending ‘portions’ to a large number of Christ’s scattered and hungry sheep. Will you not pray more definitely, dear reader, that *this* may be so; and that God will graciously fit and furnish the writer.”

---

May your labours be abundantly blessed through this new year, as we eagerly watch for His coming. Truly the “camp of the saints is compassed about” in increasing measure, may we who are kept by the power of God through faith unto salvation, shine as lights in this world of darkness to His glory and praise.

*England*

Thank you Shaun [for the article *Jesuit “Moral Theology” and the Destruction of Western Morality*]. Indeed, the Jesuits have accomplished their goal – destruction of Protestantism, to the larger extent! Some years ago, I tried to order Wylie’s *History of Protestantism* from a “Christian” bookstore. I had to spell the word “Protestantism” three times to the assistant. They didn’t stock the set of books... We have recently watched some videos of the state of things in South Africa for the (white) farmers etc. Very worried about you and your congregation. This too is Jesuitism! A “test case” to see how far they can go. We ask, “Why is the West so silent and not assisting more?” They are SO busy helping Moslem states but ignoring this evil in South Africa.

*Australia*

I have finished your *Flame of Ophir* book and I have really enjoyed it.

*South Africa*

You will be pleased to know I have lent out your CD message, *Why Are So Few Being Saved?* of which the listeners were grateful for the scriptural clearness, and gained encouragement to witness and help to seek the elect of God.

*England*

I have the last two chapters in Revelation [the sermon series covering the entire book of Revelation] to complete and it has taken me a lot of time, about three years now. I have to take down lots of notes and go over it again and again to understand. I did go through lots of history also and it was good for me. It has been an exciting and encouraging study especially as you included the doctrines also.

*South Africa*

Thank you for the excellent article [*The Eternal Sonship of Christ*]. How wonderful these truths are about our Lord! It makes your heart and mind soar to read these things. It seems so obvious that the Father could not be the Father without his Son, yet so many are blind about this.

*United States*

Thank you for keeping us richly instructed from God's Word! We are currently revisiting your [MP3] series on the Covenants; seeing the detail given in the Old Testament pointing forward to Christ has been very uplifting. May the Lord continue to bless you and the ministry.

*England*

This is excellent [the pamphlet *The Tulip is Not the Only Flower in Scripture!*]. You are so right to say that many focus primarily on the Doctrines of Grace to the exclusion of many other precious doctrines. If I can say, reverently, many "Calvinists" make an idol of them along with being "reformed". Many preachers unite with one another on the issue of "Calvinism", ignoring other important doctrines such as the eternal Sonship of Christ, as you said! John MacArthur denied this essential doctrine for years and he was still thought of as one of the greatest evangelical ministers around. And it appears that many easily disregard the doctrines of Separation and Sanctification "as long as we're all Calvinists". I love that about your teaching -you teach on all of God's Word and in a thorough manner.

*United States*

Thank you for another thorough, well-written, well-researched article on the Vatican – this one entitled *The Vatican Archives on Pius XII to be Opened*. As true believers, this article serves as a further reminder of the treacherous, blasphemous, lying, crafty and diabolically cruel system that is Roman Catholicism – and how she has NOT changed. She has never changed and she never will. The papacy is the same "habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird," that Scripture warns us about in Revelations 18:2. These articles should spur each one of us to pray fervently for those poor souls who are ensnared in this wicked system. Our hope should be that, by God's grace, these individuals will do as the Lord's Word beckons, which is to: "come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you..." (2 Corinthians 6:17). Amen!

Pius, as you wrote, was anything but pious – and Roman Catholicism is NOT biblical Christianity – not in any way, shape, or form. We must never lose sight of that truth. In fact, as your article quoted, Rome has blood all over her hands. Furthermore, we must never make peace with Rome and we must abandon any and every Romish trapping that we have in our lives. In this, we must remain resolved and steadfast.

It is so horrible to read of the evils of Pius XII, his association and protection of the Nazis as well as his support of the barbarous RC persecution in Croatia. It's incredible the sin and brutality – as every Pope of Rome was/is brutal and sinful. How accurately did Charles

Spurgeon write when he penned the following: "Popery is as much the masterpiece of Satan as the gospel is the masterpiece of God. There can scarcely be imagined anything of devilish craftiness or Satanic wickedness which could be compared with her, she is unparalleled, the queen of iniquity. Behold upon her forehead the name, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. The church of Rome and her teachings are a vast mountain of rubbish covering the truth." Amen! So true!

*United States*

What incredible times we are living in! As you outlined in your article, *Francis I Should Be Removed From Office for Heresy, Say Priests and Other Papists* – here you have the "deceived against the deceived"; the heretics bemoaning heresy; and the blasphemers yelling blasphemy at one another, from within their own ranks. Amazing!

*United States*

Thank you for the two books [*The Sabbath and the Lord's Day* and *The Jesuits: the Secret Army of the Papacy*] - arrived this morning. I look forward to reading them. The Sabbath is something that's held very dear in the remnants of Christendom here and especially in... Scotland - overshadowing the cross, sin, repentance etc., so I'm interested in memorizing my points via your book.

*Northern Ireland*

I loved this article [*Eat with Gratitude and without Guilt*]... [professing believers] worry too much about food.

*United States*

We're still making our way through [your recorded sermons entitled] *The Lord Jesus Christ in the Book of Isaiah*. Presently we're at Chapter 32. This is truly an uplifting study through which we continue to be greatly blessed. What expressive language is employed by the prophet to set forth the person and work of the Lord Jesus Christ.

Your teaching method is most effective and easy to follow.... Truly you speak out of the good treasure of your heart. We esteem you very highly in love for your work's sake (1 Thess. 5:13). Keeping you in our thoughts and praying always that God will add the increase to your labours in His Word.

*United States*

I cannot think of a more worthy cause. Nor can I think of a servant of the most High who deserves our support more. I ever look forward to your new, informative and captivating articles. Remembering you and your family at a throne of grace. Coram Deo.

*Scotland*

Shaun, your sermons on Christ in the book of Isaiah have been such a blessing and have created a greater love for our Father as you shed solid understanding. The study on Isaiah 9.6 on Sunday gave such a deeper picture. Honestly, prior to this every time I read verses about Christ's birth I found my mind thinking on the whole worldly-Catholic imprint. It's nice to

have that replaced with the truth! What a gracious God we have that reveals His treasures to His people upon this earth. Thank you for all you do.

*United States*

In the past I used to hear often about J H Newman, that one day “he’ll be made a saint”! Thanks for showing the wolf in sheep’s clothing [in the article *Rome Triumphs Over Canterbury Again: John Henry Newman Made a “Saint”*].

*England*

I’ve truly enjoyed the article on the KJV [*The Incomparable King James Version*]. I love the KJV, and despite opposition against it, I have never found another version to compare with it.... Thank you for sending this excellent study. I enjoy them all very much.

*Country unknown*

I was very encouraged to see that you have written this booklet [*The Pagan Festivals of Christmas and Easter*].... I do pray that people will be led to order your booklet and you will be in my prayers as I support you entirely. In my experience sadly many Christians do not want to give these things up and so often they will not – and they have any number of excuses as you already will know. In fact, those of the world seem to have a greater understanding in comparison that these celebrations are indeed pagan. Yes, it can bring persecution as well, especially from our families who profess to be Christians.

It is very joyful for us few here in Cornwall and Devon, as the pagan season approaches, to thank and praise the Lord for His wonderful release from these things and the great sense of His purity and righteousness as these things surround us in the world particularly at this time. Every blessing to you all.

*England*

I cannot tell you how invaluable your work, and that of some others, is to me in witnessing online. I am so willing to share and circulate good material.... Thank you for your life and witness and gifts which you are so willing to share with others for the glory of God and the winning of souls....

I may be a worm, but I rejoice in such a high privilege. My head is in the dust but my eyes are upon Jesus. Working underground, out of sight, yet being part of preparing the ground for the good seed which others will plant.

May you go on in the strength of the Lord and may He strengthen the work of His hands in you. May He be pleased to protect you and your family. I rejoice in you at a throne of grace. “And I said unto the nobles, and to the rulers, and to the rest of the people, The work *is* great and large, and we are separated upon the wall, one far from another” (Nehemiah 4:19).

*Scotland*

Your article on the Vatican's Amazonian Synod was a very interesting read. Surely we live in momentous times - the suddenness and boldness of the changes Francis has done to the Catholic Church are incredible. So much so that even his own supporters are turning against him! Incredible. There is confusion in the ranks.

But also, it’s awful to see such a powerful organisation turning to the eco-mania. It’s a good move as it will get them a lot of power with secular Western nations, but it’s not good news

for Christians as that's how they will find opportunities to persecute us: through 'ecological sins' which will become 'eco-crimes' in Western nations.  
Surely the end is nigh!

*England*

I am 72 years old. For 40 of those years I was a Roman Catholic until the grace of a loving and merciful God led me out of it and set my feet on the narrow path to salvation. In one of my previous newsletters on my ministry I spoke of the religious pride and indoctrination which Satan uses to hold people captive. Nowhere is that more true than in Roman Catholicism in which most of my family are sadly still trapped. In the bright light of biblical truth, Catholicism is clearly exposed as Satan's greatest deception. How else could a billion plus souls, led by an apostate pope, travel contentedly in spiritual darkness while being convinced that they walk in spiritual light. Many thanks if you can provide and send me materials I can read that can uplift my hunger for the true Word of God and that will consistently proclaim the truth of God's Word in clear, uncompromising terms.

I pray that through your work the Holy Spirit will lead many souls out of that religious bondage and into the timeless truth of the Gospel. God bless you and may the Holy Spirit empower me to follow your example and witness fearlessly to my own family. I will look forward to your response!

*Nigeria*

Thank you very much for the article on False Churches [*Separation from False Churches*]. I will use it to explain to the members of the deaf church in sign language. God bless you.

*England*

Thank you for this uncompromising article on Separation [*Separation from False Churches*]. It really blessed me. The Lord led you to cover everything and I was very glad for the inclusion of the Arminian churches, the pentecostal and charismatic churches and also those who have sinfully embraced the world.

Wanted to let you know this and may the Lord richly bless you for this faithfulness and the encouragement and help given thereby to the saints. We thank the Lord for it and praise His glorious name.

*England*

You have done it again [the pamphlet *Separation from False Churches*]! So much unhappiness with you and the 'HATE' you have for the Catholic Church! Remember Shaun, Jesus loves you and me. Regards to you, MAY YOUR GOD GO WITH YOU.

*New Zealand*

This is to humbly thank you for all these inspiring articles you keep on sending me. May the Lord bless you all and the ministry.

*Democratic Republic of Congo*
