## *Correspondence*

### June 2022

---

*Our purpose in publishing a sampling of the correspondence we have received, in the words of Arthur W. Pink:*

“...the time has again arrived for us to indicate to our loyal supporters before the Throne of Grace something of the manner and extent to which the Hearer of prayer has been pleased to grant their requests.”

“Our object in compiling this...feature is to evoke praise and thanksgiving on the part of those who are most deeply interested in this work, by quoting excerpts from some of the letters at hand telling of help and blessing received, under God...”

“Our purpose...is to evoke praise unto the Lord, that in this cloudy and dark day He is still ministering to His own, giving seed to the Sower, and then blessing the same unto the eater. We know not why the mighty God should condescend to use one so feeble and unworthy; sufficient for us that He is pleased to do so. Our longing is to be used more widely, in sending ‘portions’ to a large number of Christ’s scattered and hungry sheep. Will you not pray more definitely, dear reader, that *this* may be so; and that God will graciously fit and furnish the writer.”

### **Sermon MP3s**

I have been able to access some of your sermons and lectures on my iPad... I tell you they are really great! We have no church at this time, we are in a small town with 2 Pentecostal, 3 Catholic and one Independent Baptist Church which we attended as long as we could bear it. It is Arminian and the pastor tells stories of his life for most of the sermon. All to say your website is helping us spiritually very much and in His time God will provide a church for us somehow some way.

*Canada*

For your encouragement, that you may know that your labour in the Lord is not in vain, I want you to know Shaun that I receive much by way of instruction, comfort, consolation and encouragement from your pastoral guidance, for which I thank my Heavenly Father upon every remembrance of you. Your sermons and in-depth Bible studies are central to my times of fellowship with the Lord and contribute significantly to the spiritual health and well-being of my soul, to my growth in grace and in the knowledge of my Lord and Saviour Jesus Christ. Prior to listening to your exposition of the Scriptures in my times of fellowship and worship of the Lord, I pray for the guidance of the Holy Spirit that I may understand the “deep things of God”, that He may impart unto me spiritual knowledge and understanding, that my joy in the Lord may be increased and that I may know the comfort of the Holy Ghost.

Your Bible study series entitled “Precious Promises” was one from which I derived much by way of comfort and consolation. Your verse by verse exposition of Ps. 91 in the last of the sermons you preached on that series was truly a “word in season” to my soul and was most instructive as well, in providing a proper understanding of it and the deeper spiritual meaning conveyed by the imagery that is found throughout this lovely psalm. Sitting under your ministry and attending to your preaching, along with reading the Scriptures and prayer keeps

me in close communion with my Lord by keeping my thoughts and affections rightly set on things above, as I persevere in His strength in my earthly pilgrimage with a view by faith of Emmanuel's land.

Praying always that the Lord would add the increase to your labours in the gospel to the saving of lost souls and to the edification and sanctification of those who by grace, know and love the Lord.

These are times when there is so much fear, distress and confusion abounding, and it is such a strength and blessing to understand the Biblical truth concerning prophecy. I continue to benefit from [your] excellent messages on Daniel and Revelation.

### ***“Pentecostal Panic Over COVID-19” Article***

Very well written article [*Pentecostal Panic Over COVID-19*]. Perfect ending on self-examination. Thanks!

*South Africa*

Thank you for this timely article [*Pentecostal Panic Over COVID-19*] so much needed in this awful day of apostasy and blasphemy. I attach a letter I had printed in the local paper, not for any glory to myself, but if our blessed Lord in His mercy would use it to the conviction of one poor needy sinner. The Presbyterian moderator in his article shows his lack of the knowledge of our dear Lord Jesus Christ; indeed in this week's edition of this paper he came out with the most blasphemous, flippant nonsense, I almost weep for these poor people drinking in all that these apostates teach, but then I know and believe our Lord has sent them these delusions.

### ***Articles Exposing Desmond Tutu***

Just a very quick few words to say that was an excellent article about the Red Bishop [*The Red Bishop: Desmond Tutu, Anglican Arch-Heretic of the South African Communist Revolution*]. People over here were falling over themselves to praise him yet are silent on the mess he and his cohorts have made of SA.

Thanks for the point-by-point reminder of the shocking facts...

Our Prime Minister married his mistress. Ever since, she is leading the country into a Green and Red Utopia. They, the Tories, are now telling us that car ownership by the individual should be banned. Heat pumps, climate emergency, Covid fear, restrictions and plastics. And the “Christians” seem to love it all.

*Northern Ireland*

Thank you so much for the recent articles on Desmond Tutu, they were very enlightening. Growing up in Canada I used to hear the names of Nelson Mandela and Desmond Tutu on the news and always figured they were amazing world leaders. Of course I didn't follow or understand the background story of SA politics. Now as a Christian with the help of your articles I see these men were not what the news media portrayed them as. Reminds me of the Catholic clergy and the Catholic hierarchy, they are never what they portray themselves

to be in the public eye, but most are simply white washed sepulchres, which indeed appear beautiful outwardly but are within full of dead men's bones, and of all uncleanness! So perfectly did Christ expose these religious hypocrites! Thank you again for these articles, they were very informative. God bless you and your family.

Canada

Just a brief note to express my gratitude to you for sending me your articles from time to time. They are always gratefully received and appreciated - especially the latest on Desmond Tutu - as well as all those which relate to the Roman Antichrist.

### **Articles on the Russian/Ukrainian War**

Excellent article to expose it all [on the Russia/Ukraine crisis]. The 2014 article explains it well. Sobering but true.

United States

Incredible article [*The Russian Invasion of Ukraine*!] You hit it out of the Ball Park with this one. I need time to absorb it better. Pretty sad but what you say is true.

United States

Excellent article [*The Russian Invasion of Ukraine*] and the fact that you wrote on this matter in 2014 proves you are not a johnny come lately to make such statements. Well done.

United States

Thank you Shaun [for the article *The Russian Invasion of Ukraine*]. We have just printed a copy to read. Just reading bits, it looks excellent! Jesuits keep popping up EVERYWHERE! Always having their filthy fingers in the world events.

For the Futurists, looking for a supposed Antichrist in the future, the blindness is staggering! Do they really think that our Lord and Saviour would leave His blood bought Church, always wondering and speculating, never knowing who our Arch Enemy is? Ridiculous! God bless you all.

### **“Satan’s ‘Little Season’” Article**

Thanks for your efforts to write this [the pamphlet *Biblical Evidence that We Are In Satan’s ‘Little Season’*] under very trying circumstances. Remarkable that in two decades a person can read sound books free by pdf. The whole thing without much effort at all. In worldwide darkness the light of Christ is available more than ever. Few care.

United States

Thank you for this Shaun [the pamphlet *Biblical Evidence that We Are In Satan’s ‘Little Season’*], it's such a comfort to know that all the difficulties and hardships we bear daily have a purpose and a reason. May the Lord strengthen us for the days to come!

England

God bless you brother Shaun. You have confirmed my thoughts exactly that we are in that time of Satan's little season [after reading *Biblical Evidence that We Are In Satan's "Little Season"*].

England

Thank you Shaun [for the pamphlet *Biblical Evidence that We Are In Satan's "Little Season"*]. Yes, we believe this too! How could anyone think otherwise? God bless you all.

Australia

Many thanks for this most excellent article on Satan's little season [*Biblical Evidence that We Are In Satan's "Little Season"*], I can concur with you in all that you say, indeed if we just sit back and look at the professing christian world, (they may profess, but I fear they do not possess the Christ of God) I believe they are just as 2 Tim. 3: 5...

My friend every blessing, yours in Christ Jesus the Lord.

England

Thank you for the long-awaited pamphlet *Biblical Evidence that We Are In Satan's "Little Season"*, it was a blessing to read. Also forwarded to many of my colleagues.

South Africa

I just wanted to say thank you very much for the thorough, helpful and doctrinally-sound pamphlet you recently published entitled: *Biblical Evidence That We Are In Satan's 'Little Season.'* It was well written and definitely needed. There continues to be much confusion – even amongst well-meaning and genuine believers – in the area of eschatology and the Book of Revelation, specifically. I have a very kind friend who appears to be scripturally sound in the major, foundational tenets of Christianity, but sadly this person has swallowed the Futuristic interpretation of prophecy. Your pamphlet is succinct and organized in such a way that each verse is explained and carefully expounded on (given the space constraints). This is extremely beneficial and very much needed as we are living in times when even professing Christians are making wild, sweeping claims that run contrary to God's Word. Thank you for taking the time to put this together and for blessing the Body of Christ with the proper exegesis on this topic.

## **Various**

I finished *The Prophecies of Daniel* much enlightened and amazed at how near the end some of them cover!

England

A powerful and insightful article [*Joe Biden and the Wafer-God of Rome*] that explains it well. We are living through things you predicted. Way beyond what I had imagined and so quickly. We must pray earnestly. Thanks for the effort to expose this.

United States

Thank you for your article on Dr Fauci [*Dr Anthony Fauci, a Tool of the Jesuits*], for a while now I have believed that this whole pandemic was a Jesuit invention. From your books and others I have read over the years on the Jesuit order this is certainly their modus operandi simply on a world scale. The evil one is ultimately the culprit obviously, but he terrorizes through this satanic order under the guise of goodness and helping humanity while in reality he does the very opposite and instead steals, kills and destroys...

I pray for the souls of God's elect to come out from among the Jesuit Order and the Catholic system (Rev 18:4). But it is also our responsibility as Christians to expose the hidden deeds of darkness (Eph 5:11). So thank you for this very thorough and informative article. I am really enjoying your books and articles especially on the Jesuits and the Catholic system, so few Christians seem to grasp the seriousness of these organizations and even feel Catholics are our brothers and sisters in Christ, wow frightful! So thanks again for putting these truths out there and let's continue to pray for those caught up in Satan's lies. With gratitude from Canada.

Canada

Just to let you know that your book *Flame of Ophir* arrived today. It looks very good.... Your website is a great encouragement. There's plenty of declension here in Northern Ireland, as everywhere else, so it's good to know that the Lord preserves His Word, and His churches, in different parts of the world.

Northern Ireland

[*"Holy War" against South Africa*] is one of the most important books I have ever read! Well supported with documentation.

Northern Ireland

What an insane book [exposed in the article *Reaching God Speed: an Absurd Heresy*] that no Christian or even lost person should find interesting. It's made up trash. As for people recommending his book, they get paid to say they recommend it, it's marketing and as you said - who cares what they think anyway (even if they did or didn't read it).

Some good books that exposed evil in music and movies were blasted and attacked years ago and even now I am sure [they are] not even encouraged in the churches to warn their young, and this book is a best seller? Just another sign of itching ears by lost people. NO and I mean NO real Christian would even buy such a false book in my opinion. The very thought of it is eastern mysticism in a way, with God in everything.

United States

I'll give the Jesuits one thing - well two actually. They know how to play the long game, and they know how to play both ends against the middle [after reading *Francis Consecrates Russia to the "Immaculate Heart of Mary" – Again!*]. These days, it feels like the Day of Judgement can't come soon enough!

England

To the "pure" all things are pure, and especially if used in an Evangelistic spirit. Christmas is used to invite maybe more than most to a service of outreach and Easter likewise are bait on the evangelistic hook. Almost none tie these days to historic events you make an issue of. You spoil your image with your useless fuss when so many issues are being neglected, like

ordinances which keep a fellowship safe and clean. 1 Cor 11:2 Paul specifically exhorts us and praises us too who submit to instructions. Obeying Godly instruction! is true LOVE. Partiality in the law is an abomination.

While one loves your truths re ROME and other issues, please hear from FATHER GOD clearly re your stance against these celebratory helps, especially helpful for the younger set. It's like a legalistic stance the Cults fuss over at a time when many we need unity on basics like never before. I know of no worthy reformer that sowed dissension on this issue. Not to say there isn't, but the proof is the Godly minded re this issue obviously are so scant as to be unheard of in my 46 years of constant labouring for our LORD'S Glorious Heavenly Kingdom. Best regards still, on my second admonition. From – –, Church planter, Preacher and Teacher of the WORD OF GOD worldwide. Stay Blessed. Amen.

*New Zealand*

Where to start in refuting these weak arguments? The verse he quotes (“to the pure all things are pure”) is not relevant to this issue. Using the pagan festivals as “evangelistic opportunities” is an old argument, easily refuted. As for “worthy reformers” who rejected these festivals, it makes absolutely no difference whether one did so, or a hundred. Many of the reformers held to *very many* Romish teachings and practices, Christmas and Easter among them, and they never fully departed from Rome. The reformers are *never* to be our authority – only God's Word. Bottom line, which none can ever gainsay as long as they hold a Bible in their hands: *the Lord has not commanded the observance of these festivals.* – Shaun Willcock)

Thanks for writing this article about Stockman [*A Presbyterian Deceiver Visits the Roman Pope*]. Stockman was like a “little boy” starstruck with the Pope. You made quick work out of Stockman with the Bible. Stockman is an incredibly shallow person with no knowledge. It is sickening!

*United States*

Myself and some friends of mine to whom I have recommended your materials, are all gaining great benefits from them, this is why it's such a pleasure to be able to help.

*England*

Our Dear Leader in Scotland, the great and supreme Nicola Sturgeon... [is] an arch socialist who is voted in by prisoners, unemployed, 16 year olds and refugees. Did I tell you about the sex surveys at school for 12 year olds? I'll leave that for another day. I think you might be interested in looking into how the Scotland of the martyrs became an aspiring Soviet Socialist Republic riddled with economic ineptitude, corruption, and an all but extinct church.

Northern Ireland... just had an election, the implication of which is that we may well have our first Sinn Fein/IRA First Minister. Her family have connections, but they ran a very slick election campaign. Meanwhile unionists spun around to focus on the distraction of cost of living, gay rights, abortion, gay marriage etc. and lost the votes of folk like us. Ian Paisley's DUP is a shadow of its past... The protocol means that Northern Ireland is trapped in the EU while the rest of the UK left. Of course, the usual thread runs through all this – Rome! The “churches” over here are dwindling and falling over themselves to be inclusive and progressive.

All of what I have said above follows your blueprint in “*Holy War*” against South Africa.

*Northern Ireland*
